

Congratulations, Ademino & Associates!

Congratulations to Ademino & Associates for reaching \$5 million in premium volume with West Bend! Located in Kimberly, Wisconsin, Ademino & Associates has represented West Bend since 1971.

President Dave Ademino attributes the success of his agency to 1.) the agency staff, 2.) the agency's customers, and 3.) the people at West Bend. "I firmly believe our agency is the conduit between our customers and our carriers," Dave said. "We work hard to build a trusted relationship with our customers because we want them to feel comfortable with and confident in our abilities. A big part of that is finding the best companies that offer appropriate coverages at the best prices. West Bend is certainly one of the best."

Congratulations to Dave and the entire staff at Ademino & Associates!
